

Privacy Policy

This Privacy Policy is for our websites and apps developed and published by 2Mann, LLC.

Our Privacy Policy is in addition to any terms, conditions or policies agreed to between you and the store when you purchased and/or download our apps. We are not responsible for the store's collection or use of your user data and information.

1. We respect and value your privacy. We do not collect personally identifiable information about users of our apps (name, address, phone number, email address etc.).
2. We do not knowingly contact or collect personal information from children under 13. If you believe we have inadvertently collected such information, please contact us so we can promptly remove the information.
3. We collect some anonymous usage information to help us improve our apps and services. We use third party analytics services that may collect data as a device type and OS, an app identifier, unique device identifiers, app session time, events and lengths.
4. We do not use or collect your precise geographic location.
5. Some of our free apps may contain non-consumable in-app purchases. Some apps have external links to the store where you purchased the app to help you to find more about our other apps or to our website.
6. Sometimes we provide links to third-party web sites from our website (not from our mobile apps). We are not responsible for their privacy policy or their content.
7. If you contact us with a question about our mobile apps or with a support question, we may receive your email address or other information you provide. We use this information only to answer your questions or provide support to you.
8. This privacy policy was last updated on November 1, 2014. Our privacy policy may change from time to time.

If you have any questions or concerns about our privacy policies, please contact us at: support@2mann.com.
